Dear Parents and Carers

Next week, our last week of the year, will be extra busy. On *Monday*, Sutton Library will be in school to remind the children about summer reading available at the library. On *Tuesday*, Reception have a Sea-side Party and Year 2 have a Pirate Day. At 2pm we open our doors and invite parents to visit classrooms during our Open Afternoon. On *Wednesday*, the Year 6 present their Leavers' Production. On *Thursday*, the children will spend time with their new teacher in their new classroom. After school, the Year 6 children have their Leavers' Party. On *Friday*, we break up for the summer holidays at 3.20pm. It should be a great week and we hope to see you in school.

SCHOOL RESULTS

I am delighted to share our SATs results. During the last three years, the results across school, from Reception through to Year 6, have shown a significant improvement. This year's results place us firmly amongst the best in the country.

The children coming to Maney Hill are receiving a very high quality of education. The success of the school is very much a team effort and I'd like to thank our staff for working hard to ensure all children achieve their potential and have a happy time at school. Thank you to our parents for the ongoing support given to both their children and the school. Finally, very well done to all of the children.

Volunteering at Maney Hill

Do you have a few spare hours every week?

Would you like to support a class teacher and the children on a regular basis?

We have several parents, grandparents and a former teacher who come into school for a few hours every week. The support is invaluable and the sorts of things include listening to children read, helping with arts and crafts lessons, assisting with displays of work and going on trips with the class.

If you can spare a few hours, such as one morning or one afternoon a week, then please let Mrs Smith or Mrs Hammond in the School Office know.

Last week, we had some visitors to tell us about their jobs. We had 5 visitors including a PCSO, a Clinical Psychologist, a Journalist, a Lawyer and a Solicitor. We asked them lots of questions about their jobs. We really enjoyed listening about their work and learning about what the requirements were to do their job. It was a good experience learning what their jobs were about.

A big thank you from all of Year 6 to the parents who were able to come into talk to them.
