

R.E.

This term we will learn about:
Living by rules
Self-discipline (Ramadan)
Being respectful of suffering
Sharing and being generous

Design Technology

Linked to our Science topic, we will be designing and making a healthy sandwich. The instructions for completing this will form part of our writing in English lessons.

When learning about inventors and explorers, we will be designing our own inventions. Thinking about what already exists and what could be useful in the future world.

History

In History we will be learning about famous inventors and their inventions. We will be learning about famous inventors including Alexander Graham Bell, The Wright Brothers, Steve Jobs and Mary Anderson.

We will also learn about some famous explorers such as Captain Cook, who travelled to Australia, Scott of the Antarctic and Neil Armstrong.

Geography

In Geography, we will be tracking the journeys of different explorers and use atlases to find Australia and Antarctica on a map. We will identify the continents and oceans of the world.

We will learn what the weather is like in these locations and imagine what it would be like to live in different climates, focussing on key vocabulary that describes the physical geography of places.

P.E

In PE we will be creating and performing dances sequences based on music originating from Australia.

We will also be practicing multi-skills activities, developing attributes including agility, balance and coordination.

Music

In Music we will be learning to explore pulse and tempo. We will learn about different types of musical instrument and how to make sounds on different instruments.

Art & Design

Once we reach Australia, we'll be learning all about Aboriginal art and making some of our own Aboriginal art work.

When we learn about the moon landings and the exploration of space, we will create our own space dioramas, showing all the different planets!

Computing

We will be using different computing skills throughout our topic lessons. We will use the internet to research inventors and explorers from history; learn how to add text, word art and pictures to create reports; and use Google Maps to help us locate the places we are studying.
