

Design & Technology

Creating pre-historic tools and weapons

Evaluating designs

History

Finding out about when the Stone Age, Bronze Age and Iron Age periods were using a timeline

Finding out about life during these periods

Using objects and other sources to find out about the past

Studying Stonehenge and Skara Brae

Recalling and selecting historical information to present

Debating about the reasons for Stonehenge

Comparing life during the Stone Age, Bronze Age and Iron Age to now

Investigating pre-historic food

Researching early settlement houses and buildings

Analyse artefacts from pre-history

R.E.

Being open, honest and truthful

Being silent and attentive

Being courageous and confident

Being hopeful and visionary

Year 3, Summer:

Art & Design

Understanding how cave art was made

Creating our own cave art using appropriate materials

Enrichment Activities

Trip to Bishops Wood Centre

Living History workshop on Stonehenge

Music

Exploring music made by percussion instruments and our bodies

Geography

Asking geographical questions

Locating the counties and cities of the UK

Investigating the effect of humans on different landscapes

Recognising how and why places change (linked to Stonehenge)

Placing Stone, Iron and Bronze Age Britain within a wider geographical context

Comparing human and physical features

P.E.

Multi-skills

Athletics

Tennis

Cricket
