

History

This term we will investigate the social, cultural and ethnic diversity of different societies. We will also compare housing and schooling between the UK and a village in a different location, and explore how this has developed over time.

R.E.

This term our learning focus will be 'Living by Rules'. We will be looking in detail at the Ten Commandments and assessing the importance of maintaining self-discipline.

P.E.

In P.E. this term the children will be building their skills in a selection of outdoor games. They will be further improving their cricket skills as well as developing their technique in a number of athletics events. The children will all have the opportunity to attend a Cricket Festival alongside other local schools.

Geography

We will begin by identifying the features of settlements and locating these on a range of different maps. Children will build their map skills by navigating using four and six figure grid references, measuring the distance between points using a map's scale and observing the human and physical features in different areas. Furthermore, we will compare local villages with those in a different continent and move using the eight points on a compass.

Village Life

Computing

We will be using mapping software to find different locations on a map and compare the distance and weather between places. Children will continue to develop their experience of coding and will build a short animated sequence.

Additionally, children will learn about the importance of staying safe when using the internet.

Art & Design

In Art & Design, the children will have the opportunity to create an appropriate village map using symbols and keys and also design an eco-village.

Music

Children will have weekly keyboard lessons to build their expertise and confidence at using an instrument.

Design Technology

This term the children will have the opportunity to design and build an eco-village.

Enrichment Activities

Visit to Wolseley Bridge Nature Centre

Visit to Sutton Coldfield Cricket Club for a festival
