

Design Technology

In DT, we will look at the clothing worn by Anglo-Saxons and Vikings and we will be completing our own Viking weaving.

We will also design and make our own Viking shields.

RE

In our RE lessons, we will be learning how to Care for others, animals and our environment. We will also be thinking about how we can share and be generous to others. We will learn about how Buddhists and Jains try to care for the world around them.

History

In History, we will be studying the period of time following the Roman's withdrawal from Britain in 410A.D. We will learn about the Anglo-Saxons who invaded Britain, their way of life, their beliefs and the countries that they originated from. We will learn about how the Vikings invaded Britain, and how the country was divided and ruled.

We will also learn about the impact these invasions have had upon our language and place names. We will learn about famous figures such as Alfred the Great, King Canute, Ethelred the Unready and Edward the Confessor.

Computing

In our topic lessons, we will use digital maps such as 'google maps' to locate countries and counties. We will design a symmetrical brooch in the style of Anglo Saxons using different software. We will also use the programme Scratch to create a Viking raid animation.

We will use the internet to research the different invasions and periods of time.

Anglo-Saxons and Vikings

Music

We will have music lessons once a week with a keyboard teacher. We will also learn a range of songs and rhymes.

Geography

In Geography, we will be studying Northern Europe and Scandinavia. We will use google maps to learn about some of the physical and human features of these areas. We will compare these with the features of the UK. We will also look at the country of Iceland, which was invaded by the Vikings. We will study how volcanoes are formed and where in the world most mountains and volcanoes are located.

Art & Design

In our Art lessons we will be looking at Anglo-Saxon brooches. We will create our own symmetrical designs in sketches and also using different art medium. We will also design our own Viking shield.

P.E.

In our PE lessons we will be learning to play Netball. We will develop different passes such as chest pass, shoulder pass and bounce pass. We will develop our defensive and attacking skills. We will also be moving onto Gymnastics with a specialist coach.
