

History

- The children will develop their knowledge and understanding of how Britain has changed between the onset of the 20th Century and today.
- We will look in detail at World War II and its impact on Britain.

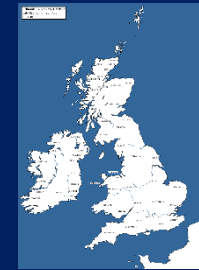

Physical Education

- Gymnastics
- Tennis
- Basketball

Geography

- Exploring the human and physical Geography of Britain. We will use maps and fieldwork to identify key similarities and differences between rural and urban environments.

20th Century Britain

Computing

- E-safety – how to be safe online.
- Collect, analyse, evaluate and present data and information using Microsoft programmes e.g. Word and PowerPoint

Music

Explore rhythm and pitch. Listen to and appraise the music of 20th Century composers, and study the impact that the arrival of popular music had on British culture.

Art and Design Technology

- The children will be creating art work using charcoal and look at the role art propaganda in WWII. Additionally, we will study the works of famous 20th Century artists including L.S Lowry.
