

Reception Newsletter

SPRING 2025

Welcome back to a new term in Reception! We hope you've all had a great Christmas and New Year break. A big thank you once again for our lovely Christmas wishes, presents and cards!

Curriculum

This term our topics are:

- Winter
- Around the World
- Dinosaurs
- Superheroes
- Space
- Spring

We will continue to learn new sounds during our phonics sessions as the children become more confident blending and segmenting the sounds we learnt last term. The focus will now look at using more of these sounds in our writing related to each topic.

In Maths we will continue to explore numbers in more detail we will focus on finding one more and one less than a given number as well as partitioning numbers to 10, before starting to add and subtract numbers. After half term we will start to explore number bonds and the relationship between doubling and halving numbers.

Information

Reading Books

Thank you for your support with reading. The children are starting to blend the sounds quickly to read words. Please continue the great work at home and books will be changed on a **Thursday**.

Once you have read the Read, Write Inc books at home make a comment in the reading record so we know the book is ready to be changed. Please ensure both reading books and reading diaries are kept in the school book bags **every day**.

Show and Tell - Fridays

'Show and Tell' has been a great experience for developing your child's speaking and listening skills, along with their confidence. We have enjoyed hearing about their special items. The children have been reminded they can show special items they have brought from home such as certificates, medals, things they have made, and WOW moments. Please refrain from bringing toys.

PE Lessons

RM- Friday

RR- Friday

Please ensure that your child comes to school in their PE kit and that pumps are named to avoid confusion.

Dates to remember

RM and RR Class Assembly- Wednesday 19th March

Visit to St Peters Church- Thursday 27th March

Parents Evening – Monday 1st April and Tuesday 2nd April.

Reminder- Please ensure all items of clothing, including shoes, coats, hats, gloves and scarves are named.

Thank you for your continued support. If you have any questions or concerns, please come to speak to us.

Mrs Miah and Mr Riley
