Dear Parents and Carers

It's been a super week in school. As always at this time of year, we get out and enjoy the playground as much as possible. This week we've had a number of activities outdoors including classes playing cricket, cave drawings on the school walls and reading on a bench under the shade of an oak tree. After school, the Bluebirds children have been playing games and relaxing in the fresh air. On Wednesday, 2FS presented a wonderful class assembly on the seaside and on Friday we had a special 'Animal Day' for the whole school organised by the School Council in aid of the RSPCA. Thank you to all the parents who came into school for 4W's Inspire workshop and for the Internet Safety workshop.

At the seaside with 2FS

On Wednesday 15th 2FS performed a brilliant assembly on the seaside. They learnt their lines and showcased all they had learnt about the seaside from the past and how it's changed today.

Well done 2FS, we are all very proud of your fantastic acting skills! Mrs Fullard and the Year 2 team

Litter pickers in action at Maney Hill

Well done to the team of litter pickers in Year 3. The litter pickers regularly scan the playground looking for litter to put in the bin. They'd like all children and adults to help keep our school free from litter.

At Maney Hill we get outdoors as much as possible. In warm and sunny weather, sun hats and sun cream are a good idea.

Bishops Wood Trip

Children in Year 3 had a great day learning how to survive as an early Settler. They had to work as a team to create their own settlements using natural materials, hunt and forage for food and then make their own campfires using flint. Both classes were fantastic but were glad to be going back home to a comfy bed and a nice meal after realising how tough it was to live in the Stone Age.
