

Key Stage 1 Christmas Production – Superstar!

All the children in Key Stage 1 have been practicing hard for weeks to find our Superstar and get ready for our production!

Year 2 took their time to perfect their lines whilst Year 1 have been doing their dance moves in their sleep! Children across Year 1 and Year 2 showed their Maney Hill values to put our performances together. In particular, showing great Teamwork and Ambition when rehearsing and performing.

We'd like to give a special thank you to all the parents & carers for their support.

Well done to all – you are all Superstars!

Key Stage 1 Team
